EDUCATION

Chittagong University of Engineering and Technology (CUET)

Feb 2020 – Jul 2025

Bachelor of Science (BSc.) in Civil Engineering

- CGPA: 3.08/4.00

Govt. Hazi Muhammad Mohsin College

Aug 2017 – Jun 2019

Higher-secondary School Certificate (HSC)

- GPA: 5.00/5.00

INTERESTS

- ❖ Seismic Resilience and Critical Infrastructure Risk Analysis of Structures.
- ❖ Advanced analysis and behaviors of Steel and Composite Structures.
- ❖ Finite Element and Computational Mechanics.
- ❖ Structural Health Monitoring and Damage Detection.
- ❖ Multi-Hazard Assessments.
- ❖ Advanced Soil-Structure Interaction (SSI) Analysis.

Research Experience

Vertical Extension of Civil Engineering Building (CUET)

Undergraduate Thesis

- Designed a 7-storey steel extension over a 3-storey RCC building built in 1968 without retrofitting or added load.
- Used independent composite steel frame with separate foundation to bypass existing structure.
- Seismic evaluation of the existing 3-storey RCC building as per PWD BSPP manual.
- Design of a modified MAT foundation.

PROFESSIONAL EXPERIENCE

Industrial Training at Local Government Engineering Department (LGED)

- Gained direct field experience by applying theoretical civil engineering knowledge to active construction projects, specifically in multi-storey structures, deep foundations, and pavement systems.
- Observed and participated in project management processes, honing skills in cross-functional coordination and clear technical communication to navigate complex on-site challenges.

Technical Tour at Royal Cement Factory, Chittagong

Conducted an on-site visit to a cement production facility to observe and document the full manufacturing lifecycle, including:

- Raw material handling and preparation.
- Grinding, mixing, and pyroprocessing techniques.
- Quality assurance and control laboratory practices.
- Implementation of and adherence to industrial safety protocols.

Industrial Tour at KSRM Steel Mill, Chittagong

- Observed steel manufacturing operations and quality assurance practices at the KSRM Steel Plant, deepening understanding of industrial production and safety protocols.
- Familiarized with end-to-end steel production processes, quality control checkpoints, and workplace safety regulations during a technical tour of the KSRM Steel Plant.

Sanitation for Urban Low-Income Communities under ITN-BUET

- Acquired specialized knowledge in designing and implementing sustainable sanitation and WASH (Water, Sanitation, and Hygiene) solutions tailored for low-income urban settings.
- Enhanced understanding of critical public health engineering strategies and community-focused approaches to improve sanitation infrastructure and hygiene practices.

Certifications

- Enhancing Digital Government and Economy (EDGE)
- Sanitation For Urban Low-Income Communities by CUET and ITN-BUET.
- Python Essentials 1 by Cisco Networking Academy program.
- Introduction to Generative AI by Credly and Google Cloud.
- ACI Membership Certification.
- Certificate of Participation By ASCE.

PROJECTS

- The physical, chemical, and biological properties of water samples were analyzed under the guidance of Dr. Md. Reaz Akter Mullick.
- A vulnerability assessment of a reinforced concrete bridge was carried out under the supervision of Dr. Md. Rabiul Alam.
- The engineering classification of soils in the Chandgaon area of Chattogram was conducted by Dr. Md. Aftabur Rahman.
- The structural design and detailing of a student hall located in the CUET area was completed under the direction of Dr. Muhammad Abdur Rahman Bhuiyan.

LEADERSHIP EXPERIENCE

- Joint General Secretary at Prodip School. ☑
- Programme coordinator at Narsingdi Students' Forum. ☑
- Publication and Documentation Secretary at CUET Sports Club. ☑
- Teacher at Prodip School. ☑

SKILLS

Software:

- | | | | |
|-----------|----------|------------|-------------|
| • AutoCAD | • ETABS | • SAP 2000 | • MS Office |
| • SAFE | • ABAQUS | • PLAXIS | • Python |

Soft Skills:

- | | | | |
|-----------------|---------------------|----------------|-------------|
| • Communication | • Critical Thinking | • Adaptability | • Team-work |
|-----------------|---------------------|----------------|-------------|

LANGUAGES

- Bangla (Native)
- English (Intermediate) - IELTS: 7.5 (L-7, R-8.5, W-7, S-6.5)
- Arabic (Basic)
- Hindi/Urdu (Basic)
